Educational Use License for wealthome

This letter serves as an agreement between CWS and the purchaser/ Buyer, with regards to the source code of **wealthome** ("the Product"). The terms and conditions of this Educational Use License are as follows:

- 1. Grant of License:** CWS ("codewithsadee") hereby grants Buyer a non-exclusive, non-transferable license to use the source code of the Product solely for educational purposes. The Product may be used for learning, experimentation, and academic projects.
- 2. Usage Restrictions:** Buyer shall not use the Product for any commercial purposes or generate any revenue from the Product's use. The Product shall not be used in any way that could compete with the commercial distribution of the Product by CWS.
- 3. Portfolio Usage:** Buyer is allowed to showcase their use of the Product in their educational and personal portfolios, but without claiming ownership of the Product or its underlying intellectual property rights.
- 4. No Modifications for Commercial Gain:** Buyer shall not modify, adapt, or create derivative works of the Product for the purpose of commercial distribution or gain.
- 5. No Resale:** Buyer shall not resell, sublicense, or redistribute the Product, whether modified or unmodified, to any third party.
- 6. Ownership:** CWS retains full ownership and intellectual property rights to the Product, including all copyrights and other rights.

This Educational Use License is effective from the date of purchase and shall remain in effect unless terminated in accordance with its terms.

By purchasing and using the Product, Buyer acknowledges their acceptance of and agreement to abide by the terms of this Educational Use License.

Sincerely,

Mohammad Sadee
Founder/CEO, CWS
